(Troop Leaders must supply the participation badge for the appropriate age level; the fun badge is included)

Girls will work on badges for the exact troop level according to the number of girls provided above. If you would like a troop to work on a higher level for bridging purposes, please put those girls in appropriate bridging level. (Example: 5 daisies, but all 5 are working on badge to bridge with, please mark them as brownies, not daisies so we have the appropriate amount of all materials for that group level.)
